... INSULA, un nuevo concepto de mobiliario pensado para espacios mixtos dormitorio-baño ...

Dentro de las grandes posibilidades de la serie Ariant cabe destacar INSULA, un nuevo concepto de mobiliario pensado para espacios mixtos dormitorio-baño, en donde se plantean unas especiales necesidades de ubicación de los muebles, y que resolvemos con los separadores y muebles exentos.

... INSULA, a new concept of furniture designed for open-plan bedroom and bathroom areas ...

Of the many possibilities offered by the Ariant collection, INSULA is worthy of note. INSULA is a new concept of furniture designed for open-plan bedroom and bathroom areas, where special needs arise with regard to the location of the furniture, which we solve by using panels and non-fitted furniture.
